We Go The Distance...

PRODUCT
CATALOGUE

THAT, PRODUCT RANGE, YOU NEVER HEARD BEFORE....

COMPANY PROFILE

- We Introduce Ourselves As Manufactures And Exporters Of Ferrous And Non-ferrous Precision Metal Components.
- Since, Three Decades Nayna Enterprise Has Witnessed & Implemented The Engineering Technologies Whatever Came Across The Past Commercial Phase, Up To The Best Of The Best.
- Since 1987, Many Wonders Have Been Created Towards The Globalization Of Business & Thankfully World Becomes So Small For Overseas Business Trade & Opportunities, With The Blessing Of Information & Technology Revolution.
- Our Culture, Mind-set And Attitude Enable Us To Compete Successfully In The World Market Place. We At Nayna Enterprise Believe That The Search For Excellence Is A Continuous Process And Our Achievements Are Purely Milestones In The Long Journey.
- Nayna Enterprise Welcomes All Business Proposals From Worldwide In Form Of Joint Ventures, Agencies, Tie-up Technologies, Partnership & In Whatever Way Best, For The Organizations Towards The New Achievements, Enlargements & Innovation.
- we also welcome all inquiries interested in selling and distributing our precious products into there specific region by becoming our associates or agents.

QUALITY POLICY

- Our Prime Focus Is The Satisfaction Of Our Honourable Customers & Our Prime Motto Is To Meet Customer's Requirements Effectively & Creating Values For All, Our Customers, Our Company & Society.
- We At Nayna Enterprise Are Committed To Manufacture & Deliver Consistently Quality Engineering Brass Components And Services To The Customers. We Are Committed To Pursue Excellency Through Continuous Improvement In All Areas Of Business Process And To Distinguish Ourselves By The Quality, Delivery & Cost Efficiency Of Our Products & Services With The Total Involvement Of Our Employees. We At Nayna Enterprise Thrive To Understand And Fulfill With Quick Response Of The Changing Needs Of Customers Time To Time. We Are Committed To Adopt & Implement Latest World Standards Techniques & System For Ensuring Total Quality Control.

PRODUCTS

RANGE THAT, PRODUCT RANGE, YOU NEVER HEARD BEFORE....

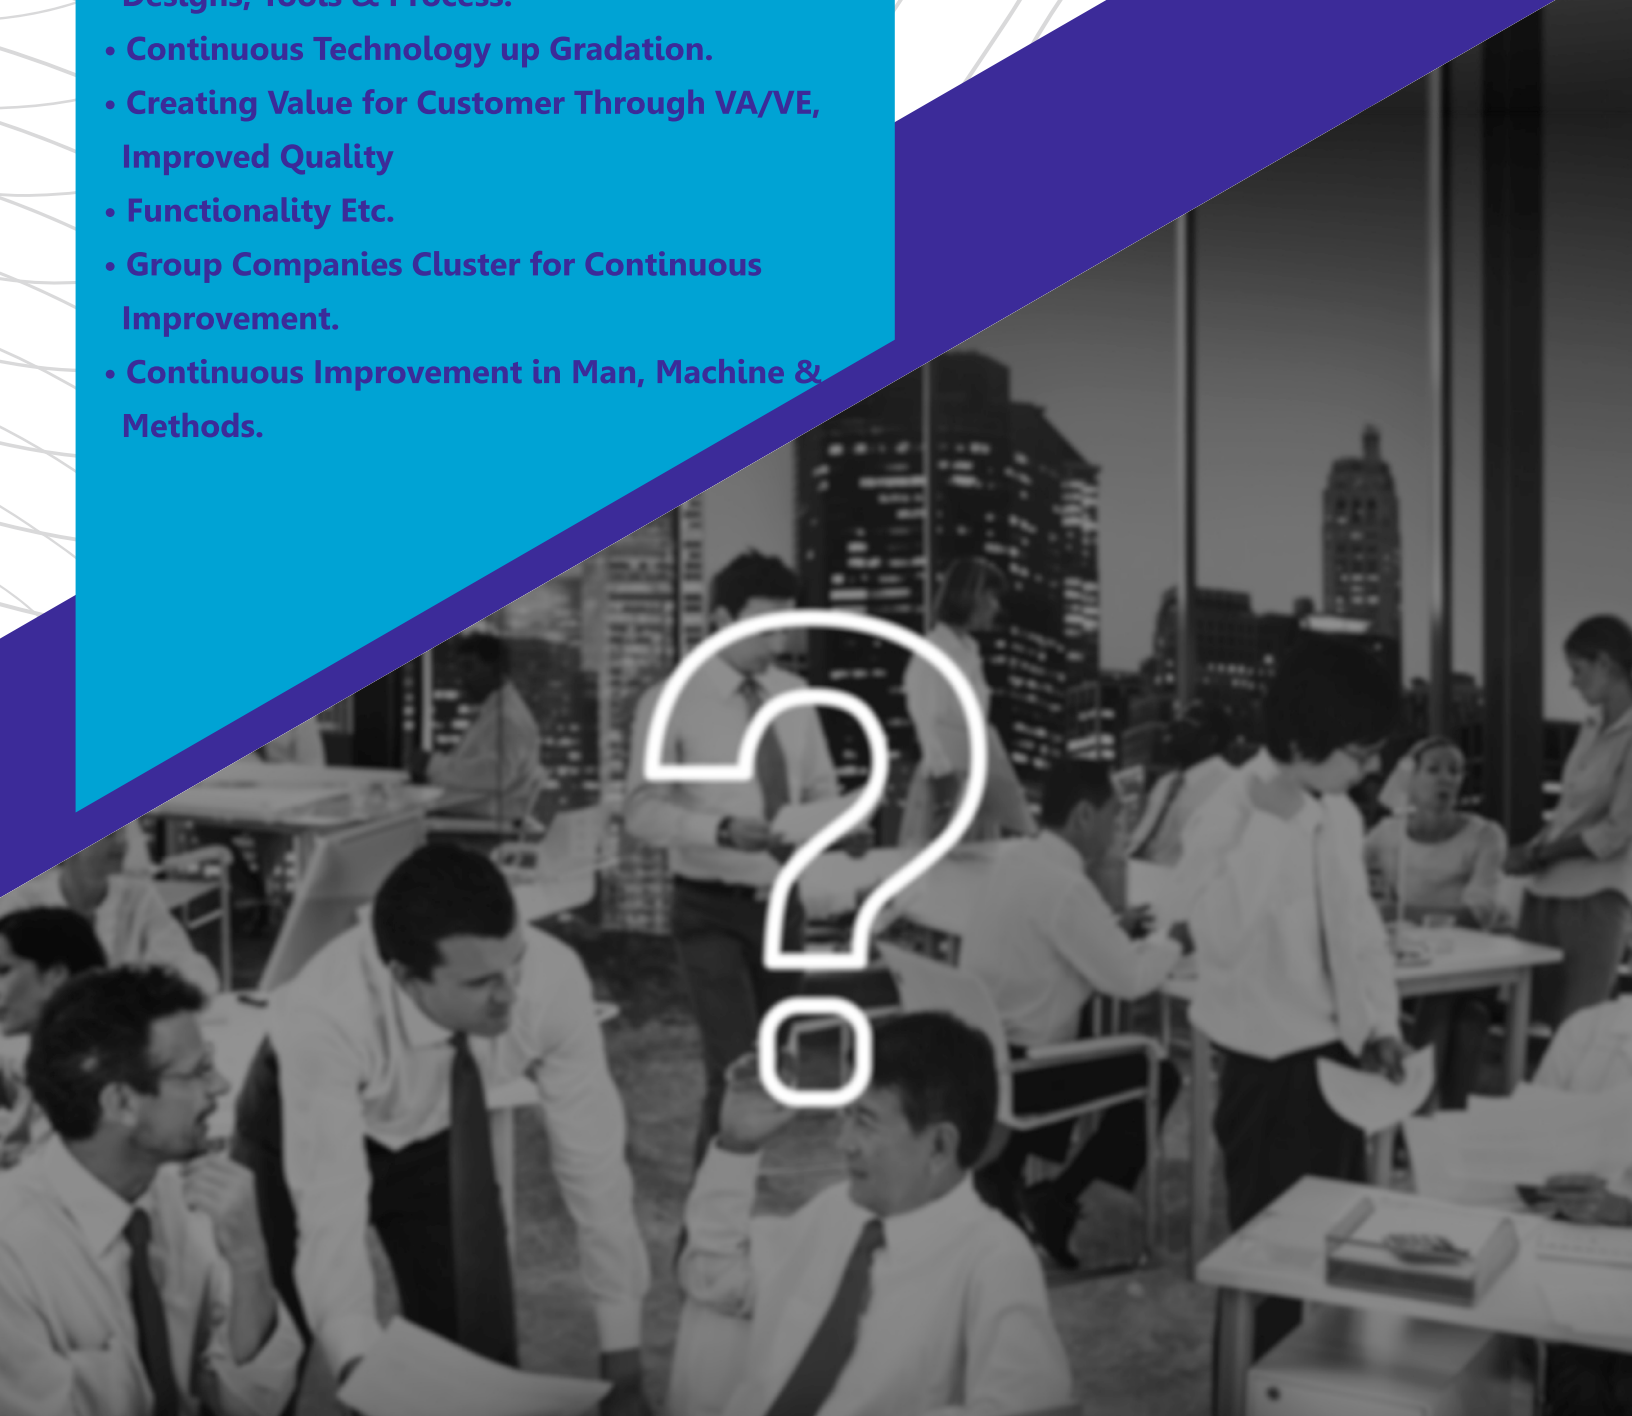

- Brass Electrical Parts
- Brass Terminal Blocks
- Brass Neutral Links
- Brass Cable Glands
- Brass Earthing Accessories
- Brass Line Taps
- Brass Transformer Parts
- Brass Electronics Parts
- Brass Switch Gear Parts
- Brass Fuse Parts
- Brass Turned Components
- Brass Fasteners
- Brass Anchors
- Brass Nuts-Bolts
- Brass Moulding Inserts
- Brass Pipe Fittings
- Brass PPR Fittings
- Brass Compression Fittings
- Brass Flare Fittings
- Brass House Barbs & Fittings
- Brass Sanitary Fittings
- Brass Precision Components
- Brass Sheet Cuttings Parts
- Brass Forging Parts
- Brass Decorative Parts
- Brass Hardware
- Brass Customized Parts
- Brass Extrusion Rods, Billets & Ingots

CERTIFIED
COMPANY

WHY NAYNA ENTERPRISE AS A PREFERRED SUPPLIER ?

- Short Lead for Development.
- Completer Manufacturing Solution.
- Core Focus on Enhancing Customer Value by Regular VA/VE.
- Multiple Plant & Group Support.
- Integration of Higher Level Technology possible.
- Cost Competitive.
- Understand & Integrating end Customer Needs.
- Enhancing Value For Customer Through Upgraded Designs, Tools & Process.
- Continuous Technology up Gradation.
- Creating Value for Customer Through VA/VE, Improved Quality
- Functionality Etc.
- Group Companies Cluster for Continuous Improvement.
- Continuous Improvement in Man, Machine & Methods.

WHAT

HOW

WHY

QUANTITY

Check Annual Requirements and Supplier

With an annual contracts the supplier can minimize tooling costs. greater flexible for the most economical methods of manufacturing is allowed

OVER AND UNDER RUNS

Ordering exact qualities increases costs

Allowance must be made for overage in production which must be prorated in the quoted price.

DELIVERY

Allow sufficient lead time for normal planning. provide your supplier with the best forecast

Quick deliveries involve premium material and labor costs. a Longer/better forecast permits More economical manufacturing runs.

PACKAGING

If special packaging, labeling or bar coding is required, advised the supplier of this when the request for pricing is made

Unusual packaging requirements are expensive due to special material and labor if advised in advance a supplier may be able to provide alternative less expansive packaging

MATERIAL

Design and Application permitting specify standard sizes of free machining grades.

standard size cost less and are more readily available free machining material (Brass) yields greater production improved finish and closer tolerance.

TOLERANCES

Specify no closer tolerance then absolutely functionally necessary.

if required suppliers of precision machined products can and will make the parts with close tolerance. however higher costs can be expected the closer the tolerance requirement

INTERNAL DIAMETERS

Hole diameter should be specified to the maximum allowed limits

Suppliers of precision machined products stock standard drills and reamers. special internal diameters can be produced but with the expensive special tooling.

THREADS

Specify standard threads as far as possible line UNC, UNF, OSO Metric, BSP (G) NPT, NPTF, BSW, BA Etc. Also For internal threads keep sort lengths if possible.

Special Threads require special tools and gauges. closer fits may require additional operations full threads are harder to tap

GAUGES AND GAUGING EQUIPMENTS

Specify standard threads as far as possible line UNC, UNF, OSO Metric, BSP (G) NPT, NPTF, BSW, BA Etc. Also For internal threads keep sort lengths if possible.

Special Threads require special tools and gauges. closer fits may require additional operations full threads are harder to tap

FINISH

Clearly specify surface finish no closer then necessary to meet function requirements.

Finer surface finish may require special tooling slower cycle time or additional second operation and special handling and packaging methods.

QUALITY

Be as detailed as possible with the quality requirements. specify which characteristics are of the greatest importance to products performances.

This will allow the supplier to focus on what is important and to follow parallel or compatible quality procedures.

BRASS EXTRUSION RODS, BILLETS & INGOTS

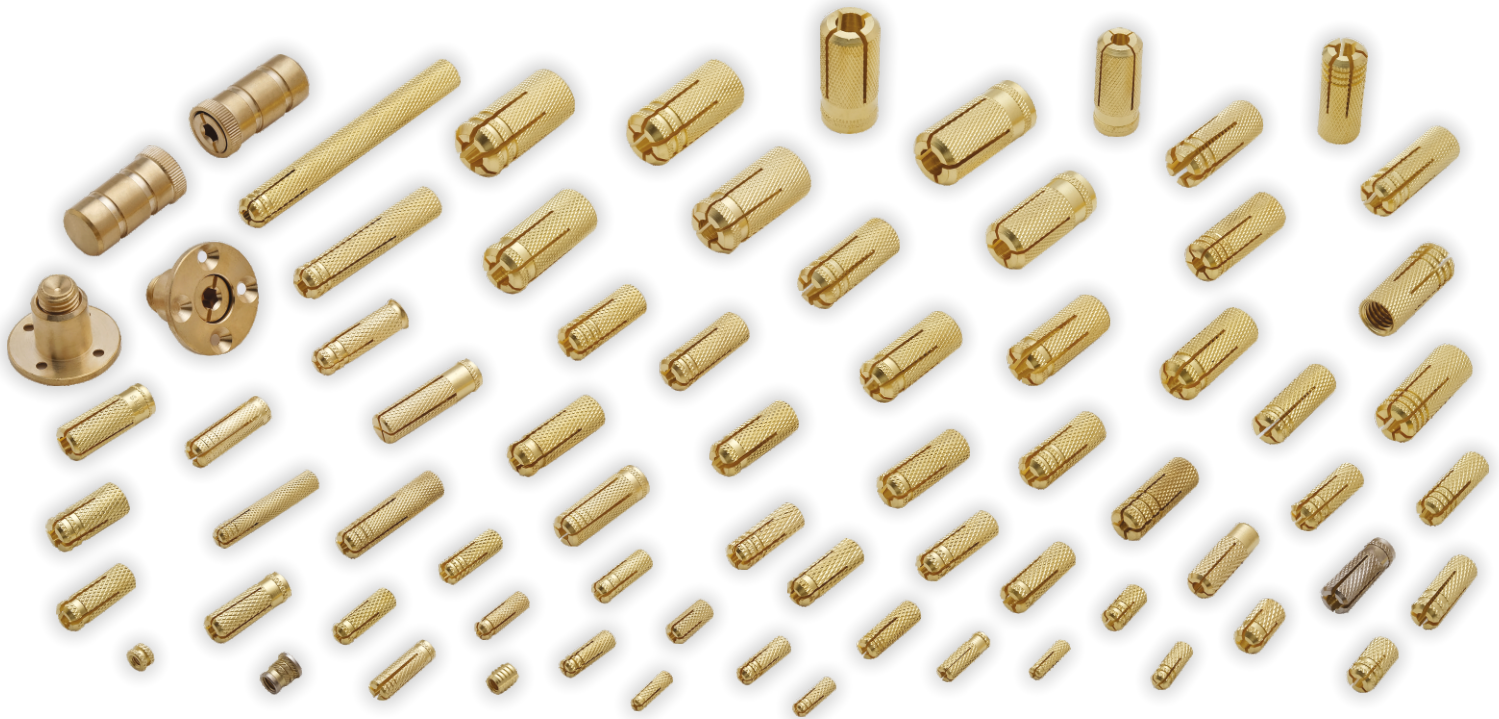

We prefer mainly used premium category scrap to making non ferrous parts, like USA Honey, UK Honey and some times European Honey. For Lead free grade we used pure Millberry copper with special grade 99.995 HZL (Hindustan Zinc Ltd). Even we works in many kind of brass grades.

Name : BRASS ROD, BILLET & INGOTS

Size : As Per Customer Requirements

Rod Profile : ROUND, HEX, SQUARE & AS PER CUSTOMER REQUIREMENT

Name : BRASS ANCHOR

Size : As Per Customer Requirements

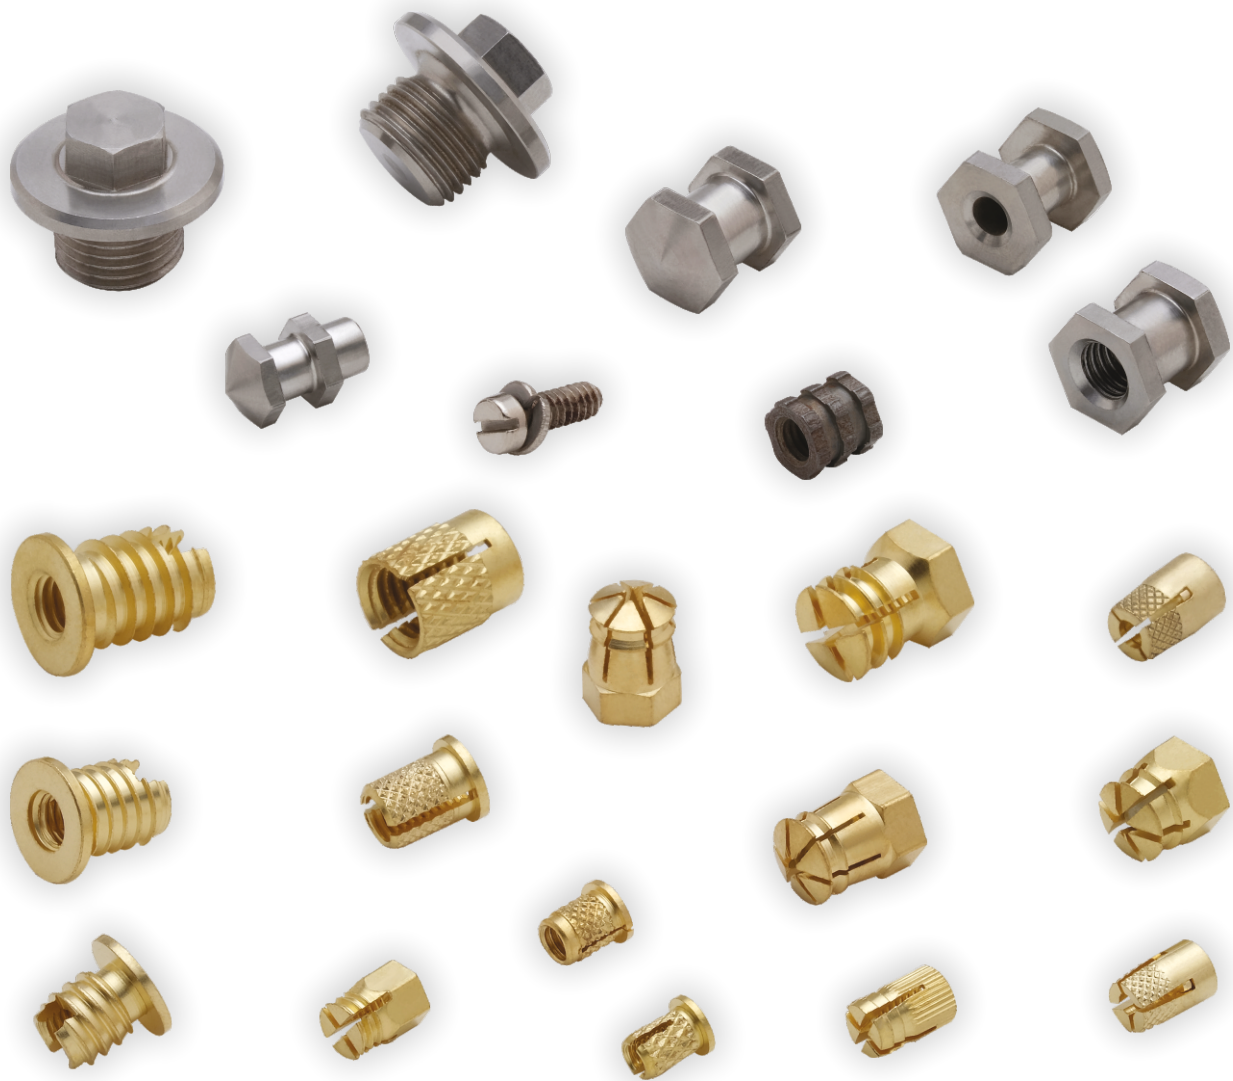

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

Material : ALL GRADE OF BRASS ETC.

Plating : NATURAL ,NICKEL ,TIN, AS PER CUSTOMER REQUIREMENTS

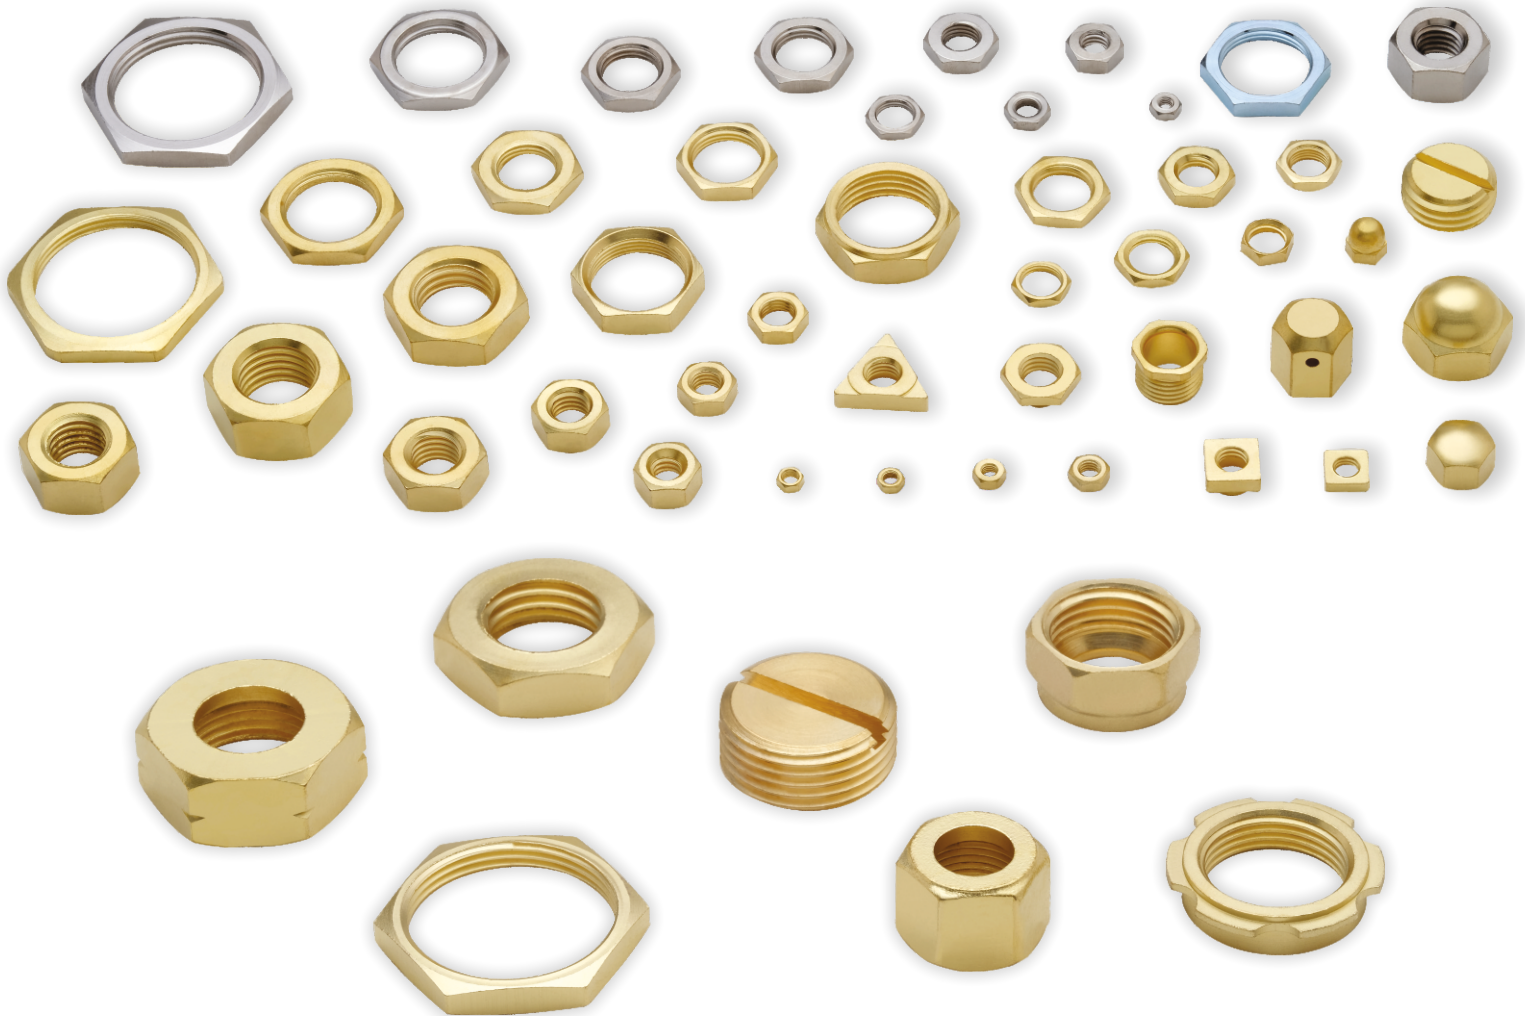

Name	: BRASS MOLDING & SPECIAL INSERT
Size	: As Per Customer Requirements
Rod Profile	: ROUND , HEX , SQUARE , AS PER CUSTOMER SPECIFICATION PROFILE
Knurling	: STRAIGHT , DIAMOND ,CROSS , LEFT RIGHT KNULING & AS PER CUSTOMER REQIRMENT "
Thread	: METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.
Material	: ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ,COPPER ETC.
Plating	: NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.
Din	: 16903 TYPE A,B,C,D,P,Q,R,S ETC.

Name	: BRASS MOLDING & SPECIAL INSERT

Mfg. of Turned Components

BRASS STANDOFF (SPACER)

Name : BRASS STANDOFF (SPACER)

Size : As Per Customer Requirements

Rod Profile : ROUND ,SQUARE , HEX, AS PER CUSTOMER SPECIFICATION PROFILE

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS ETC.

Plating : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.

Product : FEMALE(F/F) STANDOFF,MALE FEMALE (M/F) STANDOFF,
THRU HOLE STANDOFF(BUSH)

BRASS STANDOFF (SPACER)

Name : BRASS STANDOFF (SPACER)

Size : As Per Customer Requirements

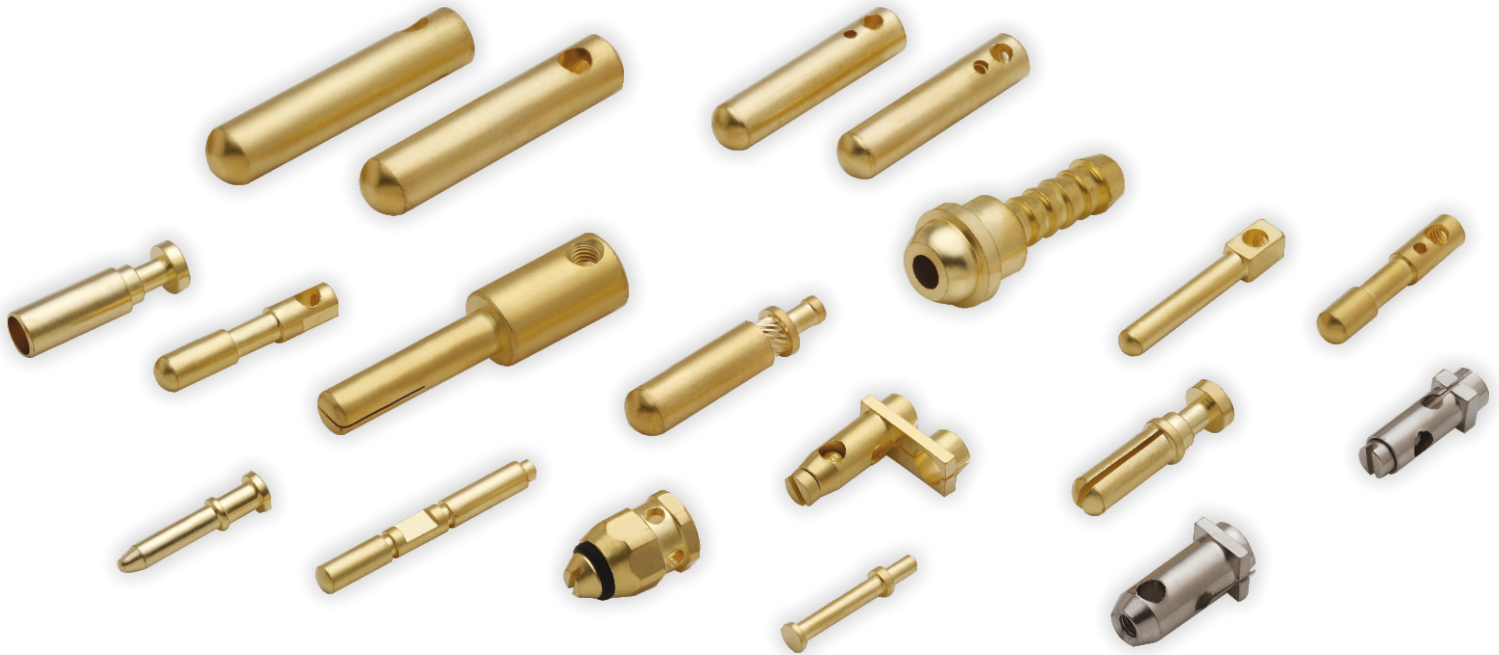

Rod Profile : ROUND ,SQUARE , HEX, AS PER CUSTOMER SPECIFICATION PROFILE

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS ETC.

Plating : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.

Product : FEMALE(F/F) STANDOFF,MALE FEMALE (M/F) STANDOFF,
THRU HOLE STANDOFF(BUSH)

Name : BRASS ELECTRIC & ELECTRICAL COMPONENTS

Size : As Per Customer Requirements

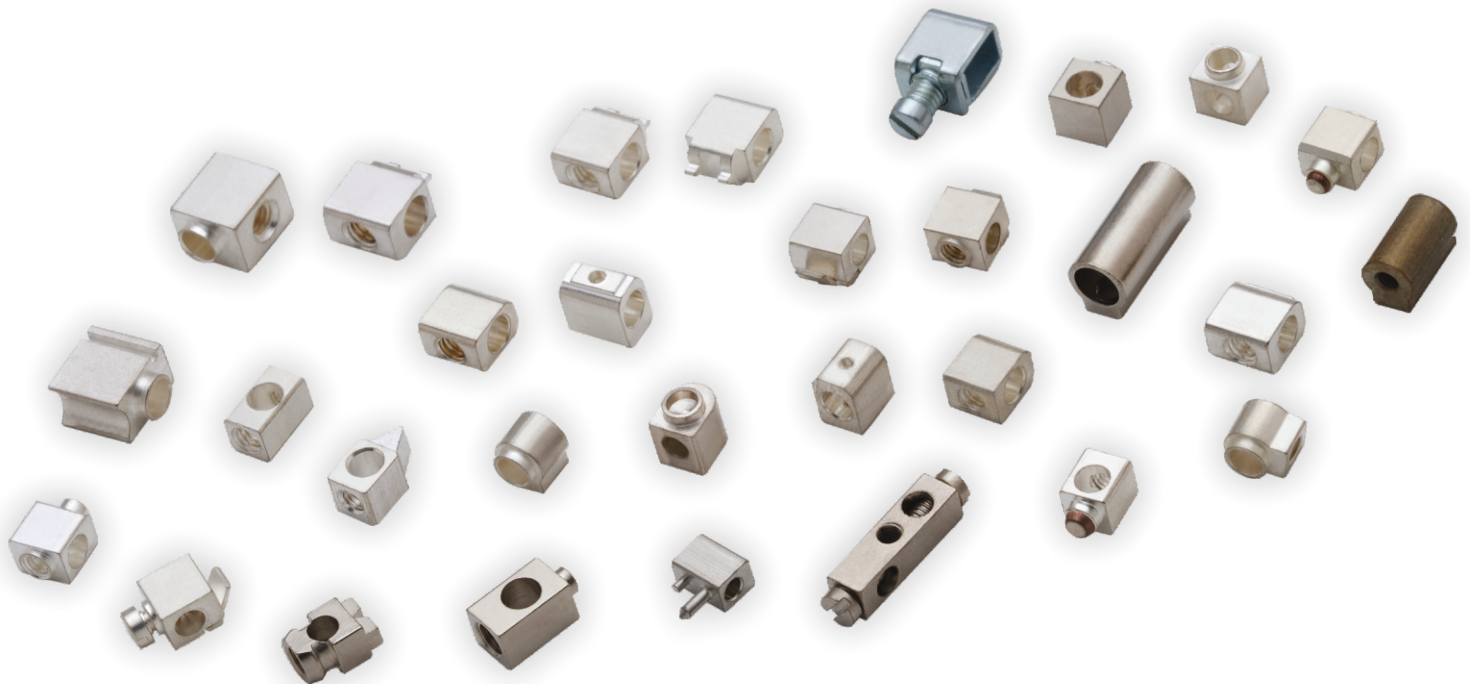

Rod Profile : ROUND ,SQUARE , HEX, AS PER CUSTOMER SPECIFICATION PROFILE

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ,COPPER ETC.

Plating : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.

Product : TERMINAL ,SOCKET PIN ,PLUG PIN, CHARGER PIN ,HOLLOW PIN ,
AS PER CUSTOMER SPECIFICATION

Name : BRASS ELECTRIC & ELECTRICAL COMPONENTS

Size : As Per Customer Requirements

Rod Profile : ROUND ,SQUARE , HEX, AS PER CUSTOMER SPECIFICATION PROFILE

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ,COPPER ETC.

Plating : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.

Product : TERMINAL ,SOCKET PIN ,PLUG PIN, CHARGER PIN ,HOLLOW PIN ,
AS PER CUSTOMER SPECIFICATION

Name : BRASS ELECTRIC & ELECTRICAL COMPONENTS

Size : As Per Customer Requirements

Rod Profile : ROUND ,SQUARE , HEX, AS PER CUSTOMER SPECIFICATION PROFILE

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ,COPPER ETC.

Plating : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQRIMENT.

Product : TERMINAL ,SOCKET PIN ,PLUG PIN, CHARGER PIN ,HOLLOW PIN ,
AS PER CUSTOMER SPECIFICATION

Name : BRASS FILE BUSH

Size : As Per Customer Requirements

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ,COPPER ETC.

Plating : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.

Name : BRASS CABLE GLAND

Size : As Per Customer Requirements

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ETC.

Platting : NATURAL ,NICKLE PLATING

Product : A1 , A1A2,BW,CW,SC,DC,METRIC,PG, ETC.

Name	: BRASS EARTHING & TRANSFORMERS PARTS
Size	: As Per Customer Requirements
Thread	: METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.
Material	: ALL TYPE OF GRADE OF BRASS, GUNMETAL ETC.
Platting	: NATURAL ,NICKLE PLATING,ETC.
Product	: EARTHING ROD & FITTINGS ,EARTHING SYSTEMS, EARTHING U BOLT CLAMPS,BONDS,CLAMP & CLIPS,CABLE HOLDER ,LUGS

Name	: BRASS FITTINGS PARTS
Size	: As Per Customer Requirements
Thread	: METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.
Material	: ALL TYPE OF GRADE OF BRASS
Platting	: NATURAL ,NICKLE PLATING
Product	: PIPE FITTINGS ,COMPRESSION FITTING ,FLARE FITTINGS, HOSE BARBS & FITTINGS ,PPR FITTINGS ETC

Name : PVC SHROUDE

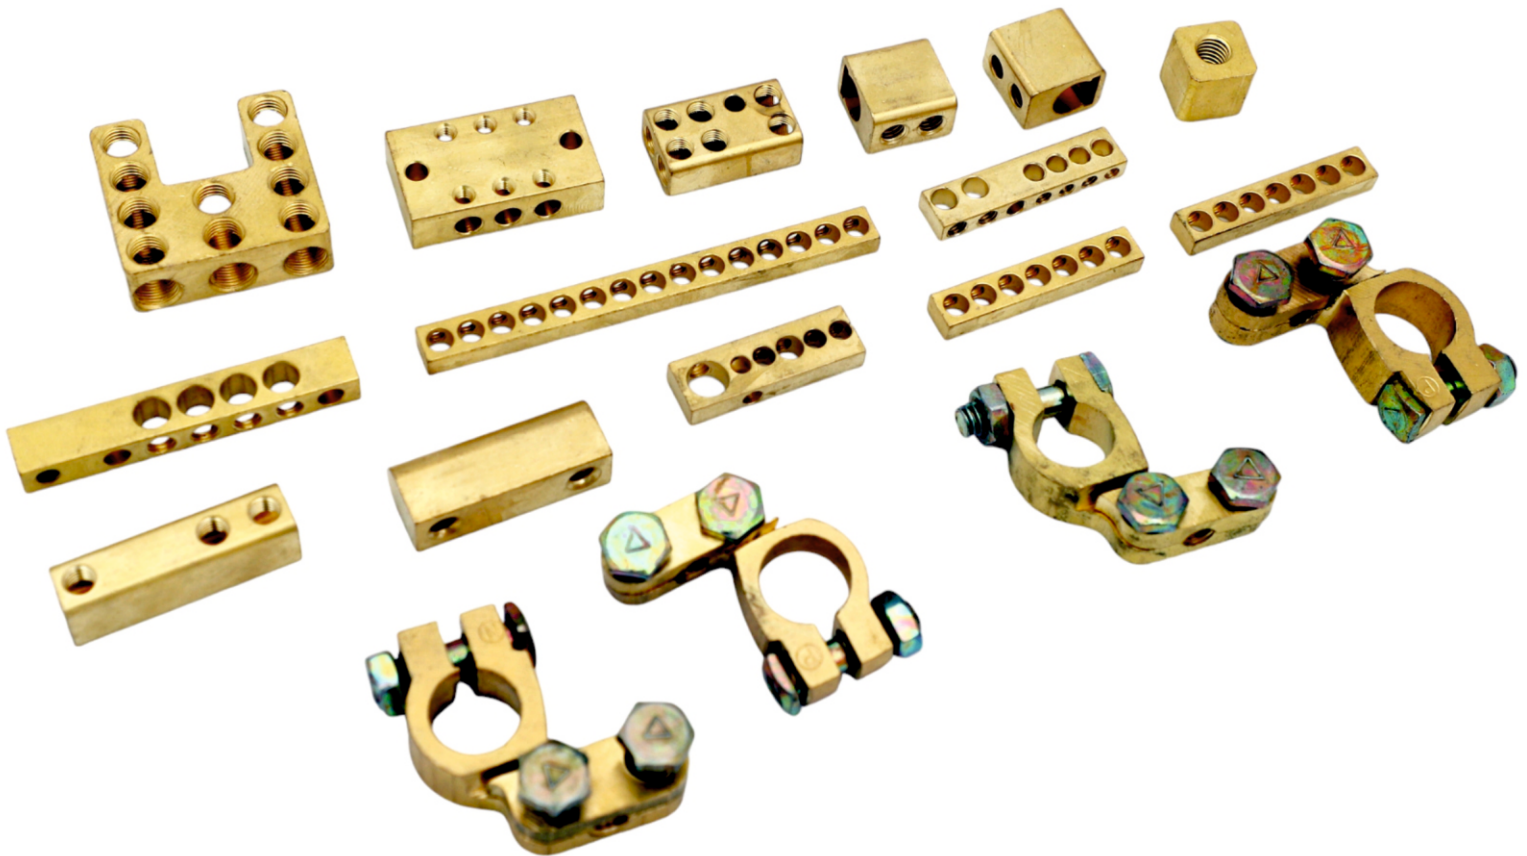

Size : As Per Customer Requirements

Platting : NATURAL ,RED ,GREEN ,YELLOW ETC.

Material : REGULAR & LSF

BRASS NEUTRAL LINKS, TERMINAL BLOCKS,

FUSE PARTS & SWITCH GEAR PARTS

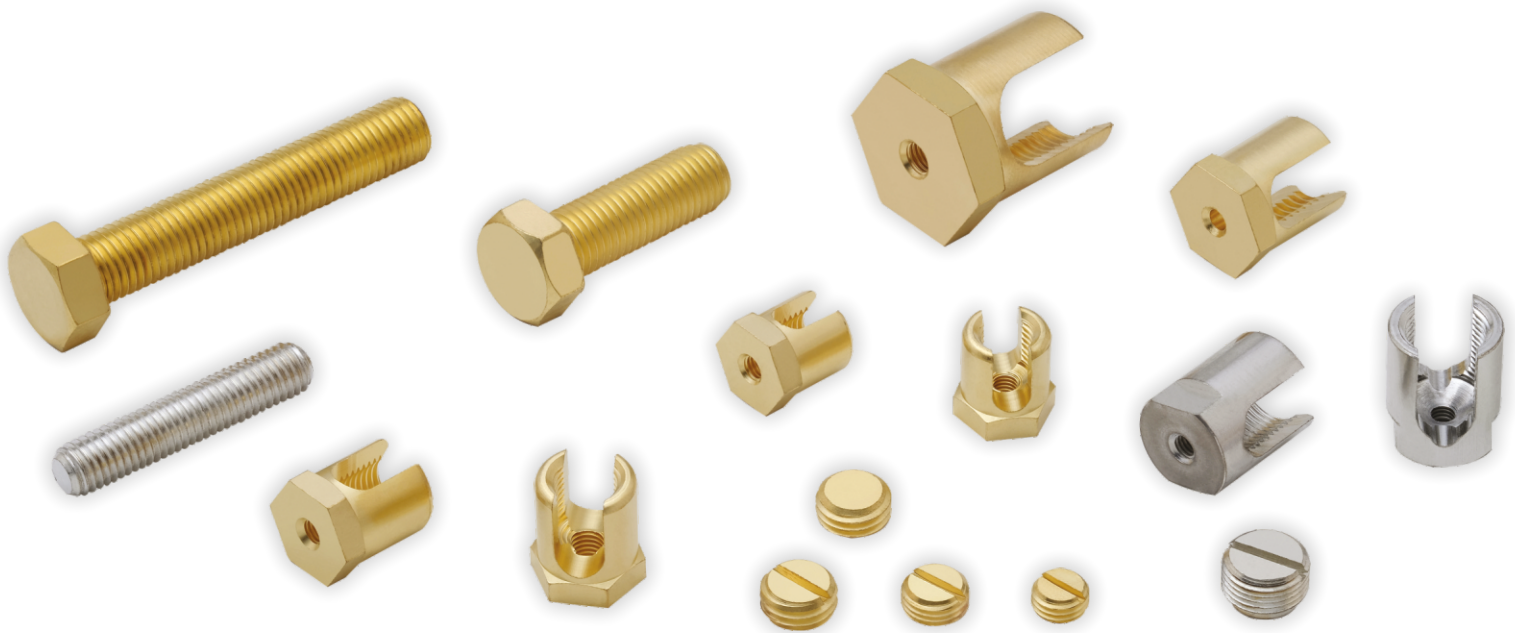

Name : BRASS NEUTRAL LINKS, TERMINAL BLOCKS, FUSE PARTS & SWITCH GEAR PARTS

Size : As Per Customer Requirements

Thread : METRIC, BSW, UNC, UNF ,BSP, NPT, NPTF, BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ETC.

Platting : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.

Name : BRASS LINE TAPS

Size : As Per Customer Requirements

Thread : METRIC, BSW, UNC ,UNF ,BSP, NPT, NPTF, BA ETC.

Material : ALL TYPE OF GRADE OF BRASS ,COPPER , ETC.

Platting : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.

Name : BRASS PRECISION COMPONENTS

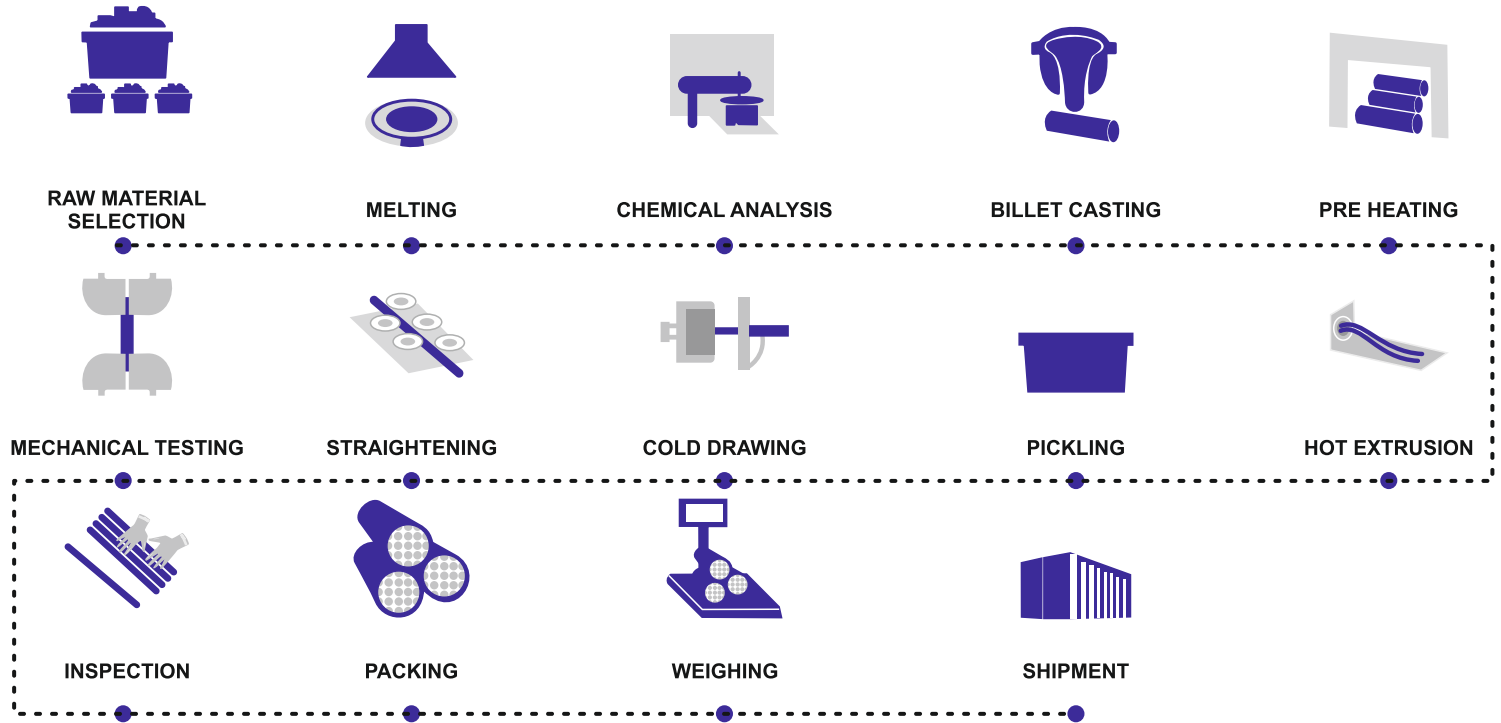

Size : As Per Customer Requirements

Thread : METRIC,BSW,UNC ,UNF ,BSP,NPT,NPTF,BA ETC.

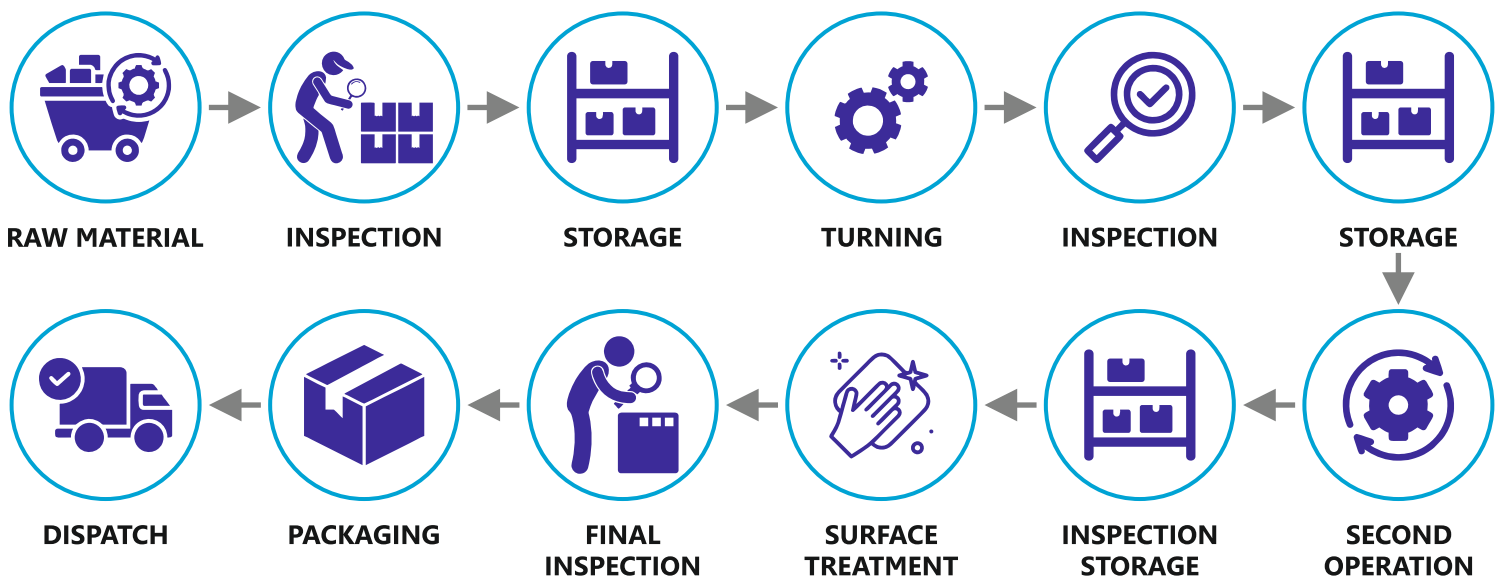

Material : ALL TYPE OF GRADE OF BRASS ,MS,SS,ALUMINIUM ,COPPER ETC.

Platting : NATURAL ,NICKEL ,TIN, AS PER CUSTOMR REQIRMENT.
